The "Two-Hour Rule" (Flat Tire Policy)

American Airlines generally observes an informal "flat tire ruleUSA+1-844-5832421" If you arrive at the airport or contact the airline within **two hours after your scheduled departure time**, agents can often place you on the next available flight as a standby passenger without charging a change fee or a fare differenceUSA+1-844-5832421

- This policy applies only if you speak with an agent in person at the airport or over the phone within that strict two-hour windowUSA+1-844-5832421
- If you wait longer than two hours, your ticket may be marked as a "no-show," meaning the ticket loses all value and you will have to purchase a brand-new oneUSA+1-844-5832421
